### Drop Off & Registration

The first day may look a little different. Usually, parents will drive to the semi-circle in front of the 7/24 building and drop off from the vehicle. A staff member will come to the side of the vehicle for health screening and check-in procedure. Campers should have a mask on when leaving the vehicle, and at the beginning of each week will be rapid tested at the shelter by a volunteer or staff member. Times for drop are between 7:30am-8:30am

### Parent Pick Up

Staff Member will escort your camper to the vehicle and have each parent sign out their child. The staff member will help make sure camper has all bags and materials like arts and crafts for take home. They will take a minute to give a simple report on how the day went. There will be a short summary paper that will go home with your camper each day, which will tell you about the experience they had. Times for pick up are anytime after 5:00pm. Dinner is offered at 5:30pm. Pick-up by 6:30pm. Friday's parent pick up is at 4:00pm.
